Louisa County Parks, Recreation & Tourism department believes that all youth should have the opportunity to participate in public recreational programs and classes, which foster human development, promote health and wellness, and encourage cultural unity. Recreational programs also serve as settings in which friendships bloom and wholesome connections and community pride are forged. Therefore, we have expanded our scholarship program to ensure that none of Louisa County's youth are denied the benefits of public recreation due to the inability to pay. Under the umbrella of LCPRT's new Community Impact Initiative, *Bridging the Gap* financial needs-based assistance is available in the form of scholarships to qualifying individuals.
